Draw the isometric view of a square prism side base 30mm and height 60mm
i) When axis is vertical
ii) When axis is horizontal

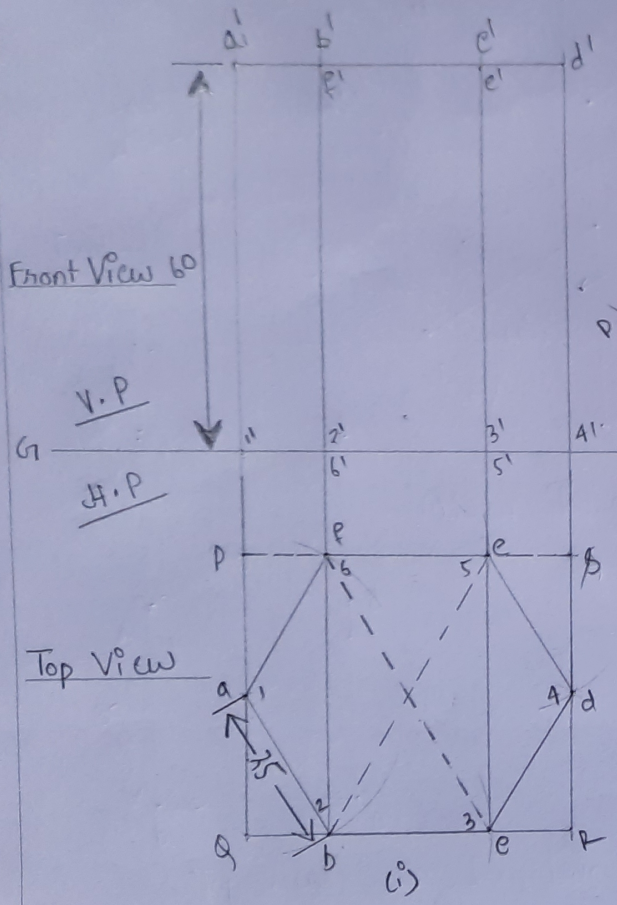

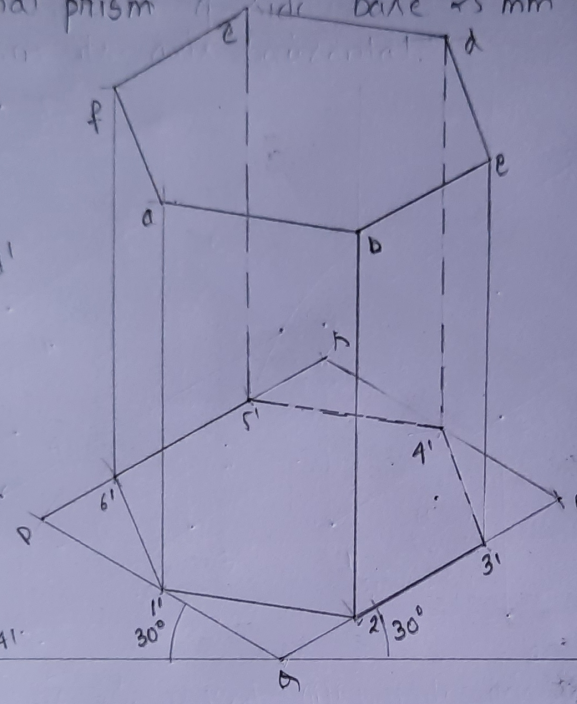

(i) When its axis is Vertical (ii) When its axis is horizontal.

Isometric View of Square Prism.

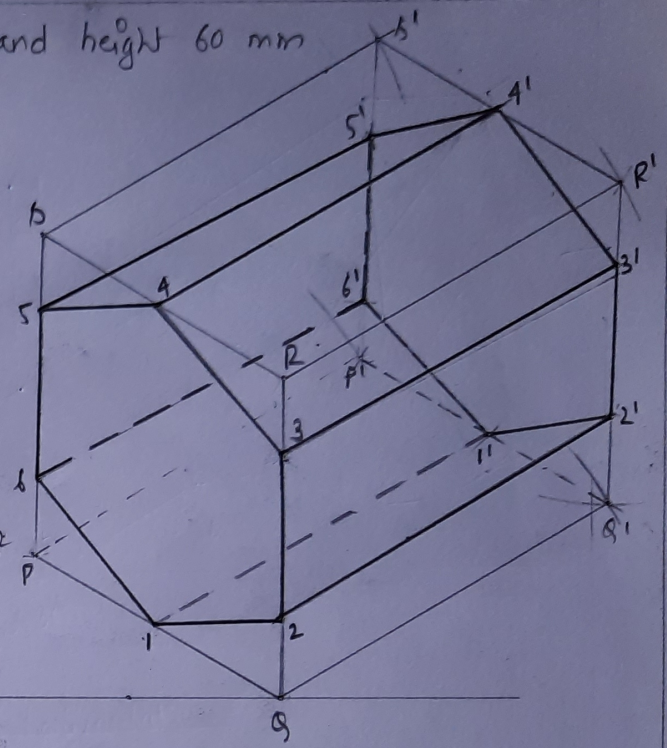

Name :- Rupantar Chakraborty
Roll :- 11900220015
Topic :- Isometric View of solids

Draw the isometric view of hexagonal prism side base 25 mm and height 60 mm
(i) When its axis vertical,
(ii) When its axis horizontal

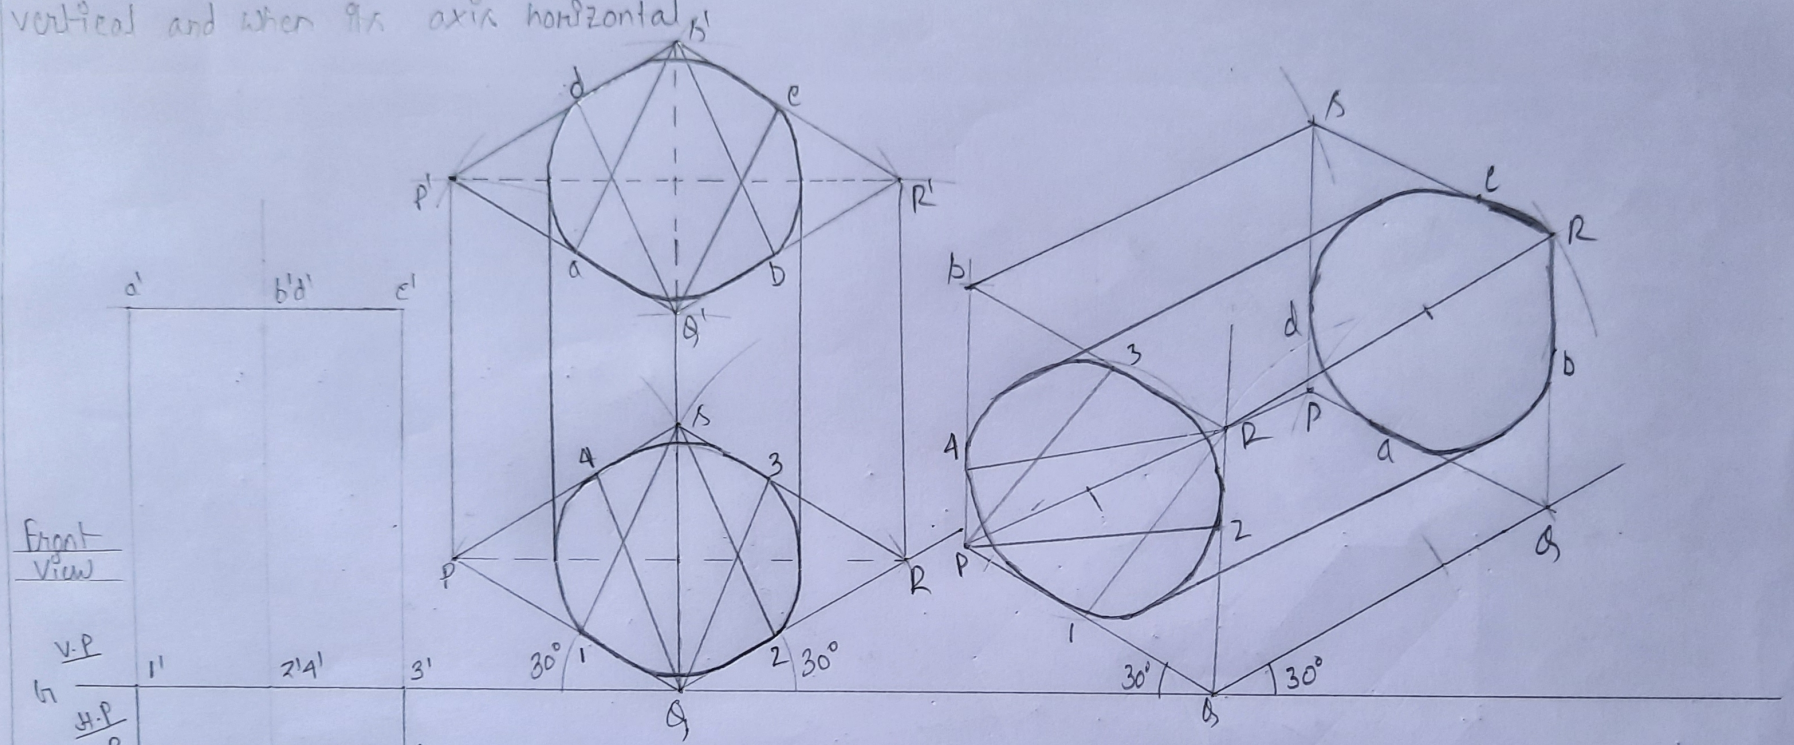

(ii) Axis Vertical

(iii) Axis Horizontal

Name :- Rupantar Chakraborty
Roll :- 11900220015
Topic :- Isometric view of solids

Draw the isometric view of cylinder diameter of base 10mm, height 60mm long when its axis vertical and when its axis horizontal

Isometric View of Cylinder

Name :- Rupantar Chakraborty
Roll :- 11900220015
Topic :- Isometric view of solid.
